I am interested in becoming a member of the Horseheads Chapter of National Honor Society. I understand that I will be selected on the basis of character, service, scholarship, and leadership. I realize that returning this application packet puts my name in consideration for membership, but does not guarantee selection to become a member. I affirm that the information presented in this application is accurate. If selected for NHS membership, I understand that I will be required to:

- Attend all mandatory NHS meetings
- Participate in required NHS activities
- Complete required community service hours
- Maintain communication with NHS advisors via school email
- Maintain good school attendance and an overall GPA of at least 90%

I understand that I may be removed from the NHS for failing to meet these requirements. I understand that including membership in the Horseheads Chapter of NHS on my college applications and receiving recognition at graduation is contingent upon my completion of these obligations.

This personal essay helps the Faculty Council become acquainted with you in ways different from courses, grades, test scores, and other objective data. It enables you to demonstrate your ability to organize thoughts and express yourself. **It is recommended that you type your essay in the space below.** If, instead, you wish to write your essay on a separate sheet, please make sure that it is clearly labeled “Part 6”, that it replaces this page of the application, and that it does not exceed the front of one page. (Remember, you must submit your application double sided so this essay must be on the back page of Part 5 of this application).

One of the pillars of National Honor Society is character. A student of good character is cooperative; demonstrates high standards of honesty and reliability; and shows courtesy, concern, and respect for others. Write a short essay supporting how you exemplify this pillar consistently in your life.
