

# Communication

Parent-teacher communication is important to me and is a key to a successful school year. Therefore, to begin our dialogue of communication, today, I am sending home a few items. Please review all items and let me know if there are any questions or concerns.

If there are any questions or concerns, please feel free to contact me at the following email: [nrosno@gstbooces.org](mailto:nrosno@gstbooces.org).

As the year begins, please be on the look out for a Family Homework packet, Class Dojo procedures, classroom reports, and helpful information on our classroom website.

Class Dojo is a quick online communication tool, the classroom report will be a brief overview of what was covered during the month and what is to come the following month, and Important information will always be shared on our classroom website

## Items being sent home today:

- \*Student Welcome Letter
- \*All About Mrs. Rosno Brochure
- \*5th Grade Supply List

\*Parent/Guardian Summer Assignment

## My Experience

I was fortunate to begin my teaching career immediately after graduating from Elmira College in 2006. During the summer after graduation I taught summer school to 5th graders at PS40 School in Brooklyn, NY. From there I moved back home to Lancaster, NY where I started a job as a substitute teacher for the Lancaster Central School District. I was a teacher for Lancaster since January of 2007. Before coming to Cohen I was a reading teacher for 7th and 8th graders at Lancaster Middle School, however, I previously taught 4<sup>th</sup> and 5<sup>th</sup> grade at William Street School, which is Lancaster's intermediate building.

Although I am fortunate for all of my experiences, I am thoroughly excited to start my 3rd year as a Cohen Cougar and work as a teacher at Cohen Elementary.

I look forward to working with the students and parents to make the 2017-2018 school year successful and rewarding.

## My Family

Before moving to Horseheads, my family and I lived in Cheektowaga, NY, near Buffalo. We moved to Horseheads in August of 2015. My daughter's name is Avery and she is four year's old. Avery loves being a big sister to her bother Ryder, who was born on Halloween, he is currently 1 1/2 years old. Both Avery and Ryder keep me and my husband, Matt very busy. They also like chasing around our cats, Madelyne and Tinkerbell, and our dogs Zoey, and Peanut.
