Thoughtful Thursday

Let's think of all of our heroes! What can we do to make the world a better place, even from home!

Think of all of the people that are still working; doctors, nurses, construction workers, postal/delivery workers, grocers, factory workers, and so many more.

Let's take time to thank our [postal and delivery workers](#) that are still working. Make a poster and hang it on your door or in your window or even just a simple post-in note on your mailbox to thank them for continuing to work during this difficult time!
